The Company, Equipment Co. and ETC shall execute their guaranty on any Trust Certificate so delivered. The applicant for a new Trust Certificate pursuant to this Section shall furnish to the Trustee and to the Company, Equipment Co. and ETC evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Certificate, and also shall furnish such security or indemnity as may be required by the Trustee and by the Company, Equipment Co. and ETC in their discretion (provided that the Original Purchaser's agreement of in-

demnification shall be deemed sufficient security or indemnity), and shall pay all expenses and charges of such substitution or exchange. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

Equipment not specifically described herein, a proper supplement hereto in respect of such Trust Equipment has been duly executed by the Trustee and the Company and filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303; and

(e) an opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel satisfactory to the Trustee, to the effect that (i) this Agreement has been duly authorized, executed and delivered by the Company, Equipment Co. and ETC and constitutes, insofar as they are concerned, legal, valid and binding obligations, (ii) the Trustee is vested with all the right, title and interest of the Company in and to all leases then in effect and covering the Trust Equipment, (iii) this Agreement has been duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303, and (iv) no further filing, recordation or deposit is necessary (or will be necessary in the future, except as stated in such opinion) for the protection of the rights of the Trustee in and to such unit of Equipment or this Agreement in any state of the United States of America or the District of Columbia.

ARTICLE FOUR

LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 4.01. *Lease of Trust Equipment.* The Trustee does hereby let and lease to the Company all the Trust Equipment for a period ending January 15, 1994.

SECTION 4.02. *Equipment Automatically Subjected.* As and when any Equipment shall from time to time be accepted hereunder by the Trustee, the same shall, *ipso facto* and without further instrument of lease or transfer, become subject to all the terms and provisions hereof.

SECTION 4.03. *Additional and Substituted Equipment Subject Hereto.* In the event that the Company shall, as provided in Section 3.01, 3.03 or 4.06, elect to sell or transfer to the Trustee other Equipment in addition to or in substitution for any of the Equipment herein specifically described or subjected hereto, such other Equipment shall be included as part of the Trust Equipment by supplement hereto to be executed by the Trustee, the Company, Equipment Co. and ETC and to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303. Such Equipment shall be subject to all the terms and conditions hereof in all respects as though it had originally been part of the Equipment herein specifically described.

SECTION 4.04. *Rental Payments.* The Company hereby accepts the lease of all the Trust Equipment; and the Company covenants and agrees to pay to the Trustee at the Corporate Trust Office (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, rental hereunder which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the acceptance of and lease to the Company of any unit of the Trust Equipment):

(1) (a) the necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein, and (b) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at the time of purchase) in connection with any purchase, sale or redemption by the Trustee of Investments;

(2) any and all taxes, assessments and governmental charges upon or on account of the income or property of the trust, or upon or on account of this Agreement, which the Trustee as such may be required to pay;

(3) (a) the amounts of the interest payable on the Trust Certificates, when and as the same shall become payable, and (b) interest at the rate of 10.80% per annum from the due date, upon the amount of any instalments of rental payable under this and the following subparagraph which shall not be paid when due, to the extent legally enforceable; and

(4) the instalments of principal of all the Trust Certificates aggregating \$1,240,000 annually (except as such sum may be reduced due to prepayments made pursuant to the terms of this Agreement), when and as the same shall become payable, whether upon the date of maturity thereof or by declaration or otherwise.

Nothing contained herein or in the Trust Certificates shall be deemed to impose on the Trustee or on the Company [except as provided in Section 4.04(2)] any obligation to pay to the registered holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America,

or of any state, county, municipality or other taxing authority thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that, in the judgment of the Trustee and as set forth in an Opinion of Counsel which shall have been furnished to the Trustee, the rights or interests of the Trustee or of the holders of the Trust Certificates will not be materially endangered thereby.

SECTION 4.05. *Termination of Trust and Lease.* After all payments due or to become due from the Company hereunder shall have been completed and fully made to and received by the Trustee (1) such payments shall be deemed to represent payment of the full purchase price for the Company's purchase at such time of the Trust Equipment from the Trustee, (2) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company and (4) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided, however,* that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company pursuant to the terms of this Agreement.

SECTION 4.06. *Substitution and Replacement of Trust Equipment.* Upon Request, the Trustee shall, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to any or all of the units of Trust Equipment; *provided, however,* that (a) there shall be paid to the Trustee cash in an amount not less than the value of the units of Trust Equipment to be assigned or transferred by the Trustee, or (b) there shall be conveyed to the Trustee at the time of assignment or transfer of any units of Trust

Equipment, other units of Equipment first put into service on or after January 1, 1978, and of a value not less than the value of the units of Trust Equipment to be assigned or transferred, and having an estimated useful life beyond January 15, 1994.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

(1) an Officer's Certificate stating (i) the value, as of the date of such Request, of the Trust Equipment so to be assigned or transferred by the Trustee and the date such Trust Equipment was first put into service (or that such Trust Equipment was first put into service not later than a specified date), (ii) the value, as of the date of such Request, of such substituted Equipment and the date such substituted Equipment was first put into service (or that such substituted Equipment was first put into service not earlier than a specified date), (iii) that each such unit so to be substituted is Equipment as herein defined and is marked in accordance with the provisions of Section 4.07 hereof, (iv) that each unit to be so substituted has an estimated useful life beyond January 15, 1994, and (v) that no default hereunder has occurred or is continuing;

(2) a certificate, an invoice or invoices and a bill or bills of sale in respect of such substituted Equipment as provided for in Sections 3.03 (a) and (c) (acceptance of such bill or bills of sale by the Trustee to constitute acceptance by the Trustee hereunder of such Equipment); and

(3) an Opinion of Counsel to the effect that (i) such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title to such substituted Equipment free from all claims, liens, security interests and other encumbrances (except as permitted by Section 6.02 and except for this Agreement, the rights of the Company hereunder and any lease permitted by Section 4.09) and (ii) a proper supplement hereto in respect of each substituted unit of Equipment has been duly authorized, executed and delivered by the parties thereto and has been

filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if cash is to be paid to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee an Officer's Certificate to the effect set forth in clauses (i) and (v) of subparagraph (1) of the next preceding paragraph.

Cash deposited pursuant to this Section or Section 4.08 may, from time to time, be paid over by the Trustee to the Company upon Request against conveyance to the Trustee of units of Equipment described in such Request first put into service on or after January 1, 1978, having a value, as of the date of said Request, not less than the amount of cash so paid and having an estimated useful life beyond January 15, 1994, and upon delivery to the Trustee of papers corresponding to those set forth in the second paragraph of this Section, with such appropriate modifications as may be approved by the Trustee.

For all purposes of this Section, where value is required to be determined in an Officer's Certificate or in connection with a Request, value shall be determined as follows (and the manner of such determination set forth in each Officer's Certificate furnished in respect thereof including a statement of actual fair value):

(1) the value of any unit of Trust Equipment assigned or transferred by the Trustee as provided in this Section shall be deemed to be the greater of (a) the actual fair value thereof or (b) the Cost thereof as theretofore certified to the Trustee less 1/15 of such Cost for each full period of one year elapsed between (i) the later of January 15, 1979, and the date such unit was first put into use, as certified to the Trustee, and (ii) the date of the Request furnished pursuant to this Section; and

(2) the value of any unit of Equipment conveyed to the Trustee as provided in this Section shall be deemed to be the lesser of (a) the actual fair value thereof or (b) the original Cost of such unit less 1/15 of such Cost for each full period of one year elapsed between (i) the later of January 15, 1979, and the date such unit was first put into use, as certified to the Trustee and (ii) the date of the Request furnished pursuant to this Section.

SECTION 4.07. *Marking of Trust Equipment.* The Company agrees that it will immediately at its own cost and expense prepare and deliver to its lessees the appropriate form of stencil for marking purposes and will forthwith exercise its rights and powers under any leases to direct such lessees thereunder to mark plainly, distinctly, permanently and conspicuously on each side of each unit of the Trust Equipment, in letters not less than one inch in height the following legend:

"TITLE TO THIS CAR SUBJECT TO DOCUMENTS RECORDED UNDER
SECTION 20c OF THE INTERSTATE COMMERCE ACT"

or

"TITLE TO THIS CAR SUBJECT TO DOCUMENTS FILED WITH
THE INTERSTATE COMMERCE COMMISSION".

Such marks shall be such as to be readily visible. The Company will also promptly so mark each unit of the Trust Equipment not subject to a lease.

In case, prior to the termination of the lease provided for in this Article Four, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed by the Company in like manner as this Agreement.

The Trust Equipment may be lettered in an appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of any leases permitted by Section 4.09, in such manner as may be appropriate for convenience of identification of such leasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might reasonably be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 4.08. *Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will maintain or cause to be maintained and keep all the Trust Equipment in good order and proper

repair at no cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or damaged beyond economical repair, or taken or requisitioned by condemnation or otherwise (hereinafter called a Casualty Occurrence). Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence, deliver to the Trustee and the Original Purchaser an Officer's Certificate describing such Trust Equipment and stating the value to the Company thereof as of the date such Trust Equipment suffered such Casualty Occurrence. Within 30 days after the Company shall have knowledge that the aggregate value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) shall exceed \$200,000, the Company shall deposit with the Trustee an amount in cash equal to the value of such units. For purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. Cash deposited with the Trustee pursuant to this Section shall be held and applied at the election of the Company (as evidenced by a Request) either (i) as provided in the first sentence of the penultimate paragraph of Section 4.06 or (ii) to prepay on the January 15 or July 15 next succeeding such Request instalments of principal *pro rata* on each Trust Certificate in the inverse order of the maturity thereof.

The Company agrees to furnish to the Trustee, on or before April 1 in each year commencing with 1980, an Officer's Certificate dated as of the preceding December 31, (1) stating the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence since the date of that last preceding statement (or the date of this Agreement in the case of the first statement), (2) identifying the units of Trust Equipment then being leased by the Company as permitted by Section 4.09 (including the name of the lessee, the term of the lease and the date of the agreement pursuant to which such Trust Equipment is leased) and specifying which units of Equipment are not then being leased by the Company and (3) certifying that the Company is not in default under any provision of this Agreement or specifying all such defaults and the action being taken by the Company to remedy the same.

SECTION 4.09. *Possession of Trust Equipment.* Except as provided in this Section, the Company will not assign or transfer its rights hereunder, or transfer or lease the Trust Equipment or any part thereof or assign, pledge, transfer or otherwise dispose of any of its rights under any leases permitted hereunder, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a solvent corporation organized under the laws of the United States of America or a state thereof or the District of Columbia which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and liabilities of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant; *provided, however,* that any such assumption shall not (unless such release shall have been consented to by the holders of 66 $\frac{2}{3}$ % in outstanding principal amount of Trust Certificates) release the Company, Equipment Co. or ETC from any of their obligations hereunder or under their guaranty endorsed on the Trust Certificates.

So long as the Company shall not be in default under this Agreement, the Company shall be entitled to the possession of the Trust Equipment and, subject to the provisions of the last paragraph of this Section 4.09, to maintain, amend, terminate and enter into leases of the Trust Equipment and to permit its use by, one or more lessees or users in the United States of America (or any state thereof or the District of Columbia) or in the Dominion of Canada or any Province or Territory thereof; *provided, however,* that the Company shall not enter into any leases or car contracts relating to the use of Trust Equipment with any lessee or user incorporated, or having its principal place of business, in the Dominion of Canada or any province or territory thereof (herein called Canadian Lessees) if the aggregate value of Trust Equipment subject to leases and car contracts with Canadian Lessees would exceed 12% of the aggregate value of all the Trust Equipment. Upon entering into any lease or car contract with a Canadian Lessee, the Company will promptly furnish to the Trustee an Officer's Certificate to such effect which shall also include a statement of the value of Trust Equipment subject thereto. Any lease by the

Company entered into pursuant to this Section 4.09 may provide (and such provision shall be binding upon the Trustee) that the lessee, so long as it shall not be in default under such lease, shall be entitled to the possession of the Trust Equipment included in such lease and the use thereof, and, subject to the provisions of Section 4.07, may provide for lettering or marking upon such Trust Equipment for convenience of identification of the leasehold interest of such lessee therein. For the purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06.

As security for the payment and performance of the obligations of the Company hereunder, the Company hereby grants, pledges and assigns unto the Trustee all of its rights, title and interest in and to any lease (including the leases referred to in Schedule A hereto) of any unit of the Trust Equipment existing as of the date hereof or entered into in the future and all rentals, moneys and proceeds payable to or receivable by the Company with respect thereto; *provided, however*, that (a) so long as no Event of Default shall have occurred and be continuing the Company shall be entitled to collect and receive all such rentals, moneys and proceeds, and (b) during the continuance of any Event of Default, all such rentals, moneys and proceeds shall be paid to the Trustee and applied to the payment or prepayment of the principal of, and/or to the payment of interest due and owing on, the Trust Certificates, all as may be specified in a Written Direction or, in the absence thereof, as may be determined by the Trustee.

On or before April 1 in each year commencing with April 1, 1980, the Company shall furnish to the Trustee and the Original Purchaser (if it is a holder of Trust Certificates) an Officer's Certificate setting forth a description, comparable to that contained in Schedule A hereto, of each lease covering each unit of Trust Equipment which shall specify therein any changes in lessees since the date of the last preceding Officer's Certificate (or, in the case of the first such Officer's Certificate, any changes from Schedule A hereto). If the Company and the Trustee receive a Written Direction within 30 days after the furnishing of such Officer's Certificate, that any such change in lessees is unacceptable to the Original Purchaser, the Company shall, either (a) on or before the next succeeding January 15, substitute for such lessee another lessee approved in a Written Direction, or (b) if no such acceptable lessee is so approved on or before such January 15, deposit with the Trustee within 30 days after such January 15 an

amount in cash equal to the value of the units of Trust Equipment as to which no acceptable lessee has been so approved, together with an Officer's Certificate certifying that the amount so deposited is not less than such value; *provided, however*, that no such Written Direction shall be delivered by the Original Purchaser and the Company shall not be required to take the action specified above in clauses (a) or (b) if, after giving effect to any change in lessees, 500 or more of the units of Trust Equipment, reduced by the aggregate number of units with respect to which cash was theretofore deposited pursuant to this sentence, are leased to Rated Lessees (as hereinafter defined). A *Rated Lessee* shall mean (1) any lessee specified in Schedule A hereto as to the number of units specified therein, (2) any lessee of Trust Equipment which has (or if any such lessee is a subsidiary, its parent corporation has) any outstanding indebtedness rated in the case of secured indebtedness "A" (or the equivalent) or better or rated in the case of unsecured indebtedness "Baa" (or the equivalent) or better by Standard & Poor's Corporation or Moody's Investors Services, Inc. (or a comparable rating by any successor to either of their businesses) and (3) if any such lessee (or its parent) does not have any outstanding indebtedness rated by either such rating agency, any such lessee which has, in the opinion of the Original Purchaser, a credit standing equivalent to other companies in a similar line of business having such indebtedness rated as provided in clause (2). It is understood and agreed that the Company will use its best efforts to furnish to the Original Purchaser all such appropriate financial information as may be required in order for the Original Purchaser to evaluate the credit of any such lessee and that any determination made by the Original Purchaser shall be conclusive and binding upon the Company. In the event the Company does not furnish all such appropriate financial information as to any lessee, as determined in the sole discretion of the Original Purchaser, such lessee shall not be deemed to be a *Rated Lessee* under clauses (2) or (3) of the second preceding sentence. Any cash so deposited shall be applied by the Trustee to the prepayment, on the next succeeding January 15 or July 15, as the case may be, of the instalments of principal on the Trust Certificates (other than any instalment due on such date) ratably in accordance with the unpaid balance of each such instalment, such prepayment to be made *pro rata* on each outstanding Trust Certificate. For the purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06. Upon Request, the Trustee shall execute and

deliver a bill of sale (without recourse or warranties) assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to any or all of the units of Trust Equipment with respect to which cash has theretofore been deposited pursuant to this paragraph.

Notwithstanding anything to the contrary contained herein, the Company will not amend, terminate or replace any lease covering any of the Trust Equipment without the prior written consent of the holders of a majority in principal amount of the outstanding Trust Certificates if such amendment, termination, or replacement would impair the security provided hereunder by the assignment to the Trustee of the leases in respect to the Trust Equipment hereunder. Any amendment of a lease which does not reduce the term or the amount of rentals payable thereunder shall not be deemed to impair the security provided hereunder. The Company will deliver to the Trustee and the Original Purchaser (so long as it is a holder of Trust Certificates) copies of all leases assigned hereunder and copies of all amendments thereof.

SECTION 4.10. *Indemnity.* The Company covenants and agrees to indemnify the Trustee against any and all claims or loss arising out of or connected with the ownership, lease or use of any of the Trust Equipment and particularly against any and all claims or loss arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America, and of all the states and other jurisdictions in which the Trust Equipment, or any unit thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; *provided, however,* that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

ARTICLE FIVE

EVENTS OF DEFAULT AND REMEDIES

SECTION 5.01. *Events of Default.* The Company covenants and agrees that in case:

(a) the Company shall default in the payment of any part of the rental payable pursuant to subparagraph (4) of the first paragraph of Section 4.04 when the same shall be due and payable, or shall default in the payment of any part of the rental payable pursuant to subparagraph (1), (2) or (3) of the first paragraph of Section 4.04 for more than ten days after the same shall have become due and payable, or

(b) the Company shall enter into any lease or car contract prohibited by the second paragraph of Section 4.09 or make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or lease (including, for the purpose of this clause, contracts for the use thereof) of any of the Trust Equipment, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or lease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancelation and recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the value, as of the date of such unauthorized action (determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06), of such Trust Equipment (any sum so deposited to be returned to the Company upon the cancelation of such assignment, transfer or lease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 30 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) the lease provided for herein shall be terminated by operation of law, or

(e) any proceedings shall be commenced by or against the Company, Equipment Co. or ETC under any federal or state law relating to bankruptcy or insolvency, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions, or appointing a receiver or decreeing or ordering the winding up or liquidation of the affairs of the Company, Equipment Co. or ETC or similar proceedings for any relief which includes or might result in, any material modification of the obligations of the Company, Equipment Co. or ETC hereunder, under the guaranty endorsed on the Trust Certificates and under any instrument made in connection with the purchase of the Trust Certificates by the Original Purchaser, (unless such proceedings shall have been discharged, dismissed, stayed or otherwise rendered ineffective within 60 days from the date of the filing thereof [but then only so long as such stay shall continue in force or such ineffectiveness shall continue]) and all the obligations of the Company, Equipment Co. or ETC hereunder, as the case may be, under the guaranty endorsed on the Trust Certificates and under any instrument made in connection with the purchase of the Trust Certificates by the Original Purchaser, shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company, Equipment Co. or ETC or for its or their property in connection with such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced, or

(f) the Company, Equipment Co. or ETC shall institute proceedings to be adjudicated a bankrupt or insolvent or shall consent to the institution of bankruptcy or insolvency proceedings against it or shall file a petition or answer or consent seeking reorganization or relief under title 11 of the United States Code or any other federal or state law relating to bankruptcy or insolvency or shall consent to the filing of any such petition or shall consent to the appointment of a receiver or shall make an assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due or shall not generally pay its debts as such debts become due, or action shall be taken by the Company, Equipment Co. or ETC in furtherance of any of the aforesaid purposes, or

(g) material default shall be made by the Company in the performance or observance of any of the covenants, agreements or conditions on its part in the Purchase Agreement; or there shall be any material breach of any of the representations and warranties of the Company, Equipment Co., or ETC contained in the Purchase Agreement, and such default or breach shall continue for a period of 30 days after written notice to the Company by the Trustee or to the Company and the Trustee by the Original Purchaser, if it is a holder of Trust Certificates, or the holder or holders of 10% or more in aggregate principal amount of the Trust Certificates then outstanding, or

(h) a default or event of default shall exist under any lease, equipment trust agreement, indenture or other security agreement or any other secured obligation for borrowed money or instrument relating thereto (each being hereinafter called a "Security Agreement") under which the Company, Equipment Co. or ETC is an obligor or guarantor (other than an Excepted Security Agreement as hereinafter defined) by virtue of the operation of any provision (herein called a "Cross-Default Provision") contained in such Security Agreement making it a default or event of default thereunder for there to have occurred and/or be continuing any default or event of default under any other Security Agreement or under any instrument evidencing any unsecured obligation for borrowed money under which the Company, Equipment Co. or ETC is an obligor or guarantor; as used herein the term "Excepted Security Agreement" means (i) any unsecured revolving bank loan or credit agreement having a term of not more than two years and (ii) any two or more Security Agreements between the same borrower or obligor, on the one hand, and the same lender or lessor or affiliated lender or lessor, on the other hand, wherein a default or event of default under one such Security Agreement constitutes a default or event of default only thereunder and under such other Security Agreement or Security Agreements with the same lender or lessor or affiliated lender or lessor (for purposes of this clause (ii), a lender or lessor shall be deemed "affiliated" with any other lender or lessor if (x) such lender or lessor owns, directly or indirectly, 100% of the capital stock, other than directors' qualifying shares, of such other lender or lessor, (y) 100% of the capital stock, other than directors'

qualifying shares, of such lender or lessor is owned, directly or indirectly, by such other lender or lessor, or (z) 100% of the capital stock, other than directors' qualifying shares, of such lender or lessor and of such other lender or lessor is owned, directly or indirectly, by the same person),

then, in any such case in this Agreement (sometimes called an Event of Default), the Trustee in its discretion may, and upon the written request of the holders of a majority in unpaid principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals (but not including rentals required for the payment of interest accruing after the date of such declaration) payable by the Company as set forth in Section 4.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the rate of 10.80% per annum, to the extent legally enforceable, on any portion thereof overdue.

In case one or more Events of Default shall happen, the Trustee in its discretion also may, and upon the written request of the holders of a majority in unpaid principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the unpaid principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 4.04(3) or (4) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of ten days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company, Equipment Co. and/or ETC and collect in the manner provided by law out of the property of the Company, Equipment Co. and/or ETC wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company, Equipment Co. or ETC under

title 11 of the United States Code or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company, Equipment Co. or ETC, or in case of any other judicial proceedings relative to the Company, Equipment Co. or ETC, or to the creditors or property of the Company, Equipment Co. or ETC, the Trustee, irrespective of whether the rental payments hereunder or the unpaid principal amount of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (but not including rentals required for the payment of interest accruing after the date of payment of all amounts due), and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct.

All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judg-

ment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provisions of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 5.02. Remedies. In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company, Equipment Co., ETC and of any Affiliate thereof or of any lessee (or other person having acquired the use of the Trust Equipment) where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises (subject to any rights of quiet possession of any lessee under any lease permitted hereunder), retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease or otherwise contract for the use of the Trust Equipment or any part thereof; or the Trustee may with or without retaking possession (but only after declaring due and payable the entire amount of rentals payable by the Company and the unpaid principal of all the then outstanding Trust Certificates, as provided in Section 5.01) sell the Trust Equipment or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of then outstanding Trust Certificates, all subject to any mandatory requirements of law applicable thereto. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. After the Trustee has fully exercised its remedies hereunder, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to

have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking of possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, or of principal and interest in respect of the Trust Certificates, and the Company shall be and remain liable for the same until such sums have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the obligations of the Company under this Agreement.

SECTION 5.03. *Application of Proceeds.* If the Trustee shall exercise any of the powers conferred upon it by Sections 5.01 and 5.02, all payments made by the Company to the Trustee, and the proceeds of any judgment collected from the Company by the Trustee, and the proceeds of every sale or lease by the Trustee of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates or a part thereof, or interest thereon) shall be applied by the Trustee to the payment, in the following order of priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the interest then due, with interest on overdue interest at the rate of 10.80% per annum, to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the rate of 10.80% per annum, to the extent legally enforceable, from the last preceding interest payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and interest.

After all such payments in full shall have been made, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money

realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 5.04. *Waivers of Default.* Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 5.01, the holders of a majority in aggregate unpaid principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive by an instrument in writing delivered to the Trustee any past default and its consequences, except a default in the payment of any instalment of rental payable pursuant to Section 4.04(3) or (4), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as provided in Section 5.01, but before November 1, 1993, all arrears of rent (with interest at the rate of 10.80% per annum upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of a majority in unpaid principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 5.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee,

or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company, Equipment Co. or ETC under the guaranty endorsed on the Trust Certificates.

The Company, Equipment Co. and ETC hereby waive presentation and demand in respect of any of the Trust Certificates and waive notice of presentation, of demand and of any default in the payment of the principal of and interest on the Trust Certificates.

SECTION 5.06. *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall demand possession of the Equipment pursuant to Section 5.02 and shall designate a reasonable point or points for the delivery of the Trust Equipment to the Trustee, the Company shall, at its own expense and risk:

(a) forthwith and in the usual manner use its best efforts to cause the Trust Equipment to be placed upon such storage tracks of the Company or any of its Affiliates as the Trustee reasonably may designate; and

(b) permit the Trustee to store the Trust Equipment on such tracks at the risk of the Company without charge for insurance, rent or storage until the Trust Equipment has been sold, leased or otherwise disposed of by the Trustee.

During any storage period, the Company will, at its own cost and expense, maintain and keep each such unit of Trust Equipment in good order and repair and will permit the inspection of the Trust Equipment by the Trustee, the Trustee's representatives and prospective purchasers, lessees and users. This agreement to deliver the Trust Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction, the Trustee shall be entitled to a decree against the Company requiring specific performance hereof. The Company hereby expressly waives any and all claims against the Trustee and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Trust Equipment in any reasonable manner.

SECTION 5.07. *Trustee to Give Notice of Default.* The Trustee shall give to the registered holders of the Trust Certificates notice of each Event of Default hereunder actually known to the Trustee at its Corporate Trust Office, within 30 days after it so learns of the same, unless remedied or cured before the giving of such notice.

SECTION 5.08. *Control by Holders of Trust Certificates.* The registered holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates, by an instrument or instruments in writing executed and delivered to the Trustee, shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however*, that the Trustee shall have the right to decline to follow any such direction (i) if the Trustee shall be advised by counsel that the action so directed may not lawfully be taken or (ii) if the Trustee shall be advised by counsel that the action so directed may involve it in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with any such direction given hereunder.

SECTION 5.09. *Remedies Cumulative; Subject to Mandatory Requirements of Law.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity; and such remedies so provided in this Agreement shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

SECTION 5.10. *Notice of Cross-Default Provisions.* Each of the Company, Equipment Co. and ETC covenants and agrees that in the event that it shall execute any lease, equipment trust agreement, indenture or other security agreement or any other secured obligation for borrowed money or instrument relating thereto (other than an Excepted Security Agreement, as defined in paragraph (h) of Section 5.01) under which the Company, Equipment Co. or ETC is an obligor or guarantor, or any amendment thereto, containing a Cross-Default Provision of the type referred to in paragraph (h) of Section 5.01, it will give prompt written notice thereof to the Trustee and each

holder of Trust Certificates which notice shall include a copy of the instrument in which such provision is contained.

SECTION 5.11. *Books and Records; Inspection of Property.* Each of the Company, Equipment Co. and ETC jointly and severally covenants that it will keep accurate corporate books and financial records, and that so long as any Trust Certificate shall be outstanding, it will permit any person designated by the Trustee in writing, at the Trustee's expense, to visit and inspect the Trust Equipment (subject to the rights of the lessees thereof), all at such reasonable times and as often as the Trustee may reasonably request.

ARTICLE SIX

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY, EQUIPMENT CO. AND ETC

SECTION 6.01. *Guaranty of Company, Equipment Co. and ETC.* The Company, Equipment Co. and ETC jointly and severally unconditionally covenant, agree and guarantee that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the rate of 10.80% per annum, to the extent legally enforceable), and shall receive interest thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates or this Agreement (and, if not so paid, with interest thereon until paid at the rate of 10.80% per annum, to the extent legally enforceable); and the Company, Equipment Co. and ETC each agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, their joint and several guaranty of the prompt payment of the principal thereof and of the interest thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company, Equipment Co. and ETC, each, by the manual or facsimile signature of its President, a Vice President or the Controller. In case any officer of the Company, Equipment Co. or ETC whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and

delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company, Equipment Co. and ETC as though the person who signed said guaranty had not ceased to be or had then been such officer.

Equipment Co. and ETC further jointly and severally unconditionally guarantee to the Trustee and the holders of the Trust Certificates the due and punctual performance of all undertakings and obligations of the Company under this Agreement and the Purchase Agreement and unconditionally guarantee to the Trustee and the holders of the Trust Certificates that all sums payable by the Company under this Agreement and the Purchase Agreement will be promptly paid when due in accordance with the provisions of this Agreement and the Purchase Agreement and, in case of default by the Company in any such obligations or payment, Equipment Co. and ETC agree punctually to perform or pay the same, irrespective of any enforcement against the Company of any of the rights of the Trustee and the holders of the Trust Certificates under this Agreement or the Purchase Agreement. Equipment Co. and ETC hereby agree that their obligations hereunder and under the aforesaid guaranty on the Trust Certificates shall be unconditional, irrespective of the genuineness, validity, regularity or enforceability of this Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge of a guarantor. No waiver by the Trustee or the holders of any of the Trust Certificates of any of their rights hereunder or under the Trust Certificates and no action by the Trustee or the holders of any of the Trust Certificates to enforce any of their rights or failure to take, or delay in taking, any such action shall affect the obligations of Equipment Co. and ETC hereunder or under said guaranty of the Trust Certificates.

SECTION 6.02. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien, charge, security interest or other encumbrance upon or against any of the Trust Equipment; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be con-

tested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect. If the Company does not forthwith pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any such debt, tax, charge, assessment, obligation or claim as required by this Section, the Trustee may, but shall not be obligated to, pay and discharge the same and any amount so paid shall be secured by and under this Agreement until reimbursed by the Company.

SECTION 6.03. *Filing.* The Company will, promptly after the execution and delivery of this Agreement, and each supplement or amendment hereto or thereto, cause the same to be duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record and will refile, reregister and rerecord any and all further instruments required by law (including all applicable laws of Canada and any other jurisdiction) or reasonably requested by the Trustee for purpose of proper protection of the security interests of the Trustee in and to the Trust Equipment and the assignment hereunder, as additional security, of the interests of the Company in and to the leases of the Trust Equipment and of fully carrying out and effectuating this Agreement and the intent hereof.

Promptly after the execution and delivery of this Agreement and of each supplement or amendment hereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, such document or financing statement relating to such document has been properly deposited, filed, registered and recorded and redeposited, refiled, reregistered and rerecorded, if necessary, so as effectively to protect the security interests of the Trustee in and to the Trust Equipment and the assignment hereunder, as additional security, of the interests of the Company in and to the leases of the Trust Equipment described in Schedule A hereto, as supplemented, and its rights and the rights of the holders of the Trust Certificates hereunder and reciting the details of such action.

SECTION 6.04. *Further Assurances.* The Company, Equipment Co. and ETC each covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

SECTION 6.05. *Merger or Consolidation.* The Company, Equipment Co. and ETC each covenants and agrees that in the eventuality that it should merge or consolidate with, or transfer all or substantially all its assets to, another corporation, the survivor of such merger or consolidation or such transferee shall be a solvent corporation organized under the laws of the United States of America or a state thereof or the District of Columbia and such survivor (if not the Company or Equipment Co. or ETC, as the case may be) or transferee shall assume all the obligations and liabilities of the Company, Equipment Co. or ETC, as the case may be, hereunder and as guarantor of the Trust Certificates; *provided*, that in the case of any such transfer, such assumption shall not (unless such release shall have been consented to by the holders of 66 $\frac{2}{3}$ % in outstanding principal amount of Trust Certificates) release the Company, Equipment Co. or ETC, as the case may be, from any of its obligations hereunder or under its guaranty endorsed on the Trust Certificates.

ARTICLE SEVEN

CONCERNING THE HOLDERS OF TRUST CERTIFICATES

SECTION 7.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate unpaid principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

SECTION 7.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* Proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the

holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the person executing the same.

The ownership of Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

SECTION 7.03. *Trust Certificates Owned by Company.* In determining whether the holders of the requisite unpaid principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which are actually known to the Trustee at its Corporate Trust Office to be so owned shall be disregarded.

SECTION 7.04. *Right of Revocation of Action Taken.* At any time prior to (but not later than) the evidencing to the Trustee, as provided in Section 7.01, of the taking of any action by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate the serial number of which is shown by the evidence to be included in the Trust Certificates the holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 7.02, revoke such action in so far as concerns such Trust Certificate. Except as aforesaid any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate

and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, Equipment Co. and ETC, the Trustee and the holders of all the Trust Certificates subject to the provisions of Section 5.08.

ARTICLE EIGHT

THE TRUSTEE

SECTION 8.01. *Acceptance of Trust.* The Trustee hereby accepts the trust imposed upon it by this Agreement, and covenants and agrees to perform the same as herein expressed.

SECTION 8.02. *Duties and Responsibilities of the Trustee.* In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. The Trustee shall not be deemed to have knowledge of any default or Event of Default under this Agreement prior to the time it shall have obtained actual knowledge thereof at its Corporate Trust Office.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee the Trustee may conclusively rely, as to the truth of the

statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; *provided, however,* that the foregoing provisions of this subparagraph (b) shall not excuse the Trustee from liability for its action or inaction which was contrary to the express provisions of this Agreement;

(c) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(d) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(e) the Trustee may consult with counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(f) the Trustee shall be under no obligation to exercise any of its rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or

indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement. None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 8.03. *Application of Rentals.* The Trustee covenants and agrees to apply the rentals received by it under Section 4.04 when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 4.04.

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Agreement or of any supplement hereto or statement of new numbers or any other statement or document that may be permitted or required to be filed, recorded, refiled or rerecorded in any jurisdiction to protect or perfect any of the security interests contemplated hereby.

SECTION 8.04. *Funds Held by Trustee; Investments.* Any moneys at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on non-interest bearing deposit with itself.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request,

shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 4.06, 4.08 or 4.09 (hereinafter in this Section called Replacement Funds) in Investments, at such prices, including any premium and accrued interest, as are set forth in such Request, such Investments to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against acceptance of Trust Equipment or the payment or prepayment of Trust Certificates, sell such Investments, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investments, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 4.04(1), an amount equal to any expenses incurred in connection with any purchase or sale of Investments and also an amount equal to any loss of principal incident to the sale or redemption of any Investments for a sum less than the amount paid therefor, including accrued interest.

Until such time as, to the actual knowledge of the Trustee (obtained at its Corporate Trust Office), the Company shall be in default under the terms hereof, the Company shall be entitled to receive any interest (in excess of accrued interest paid from Deposited Cash or Replacement Funds at the time of purchase) or other profit which may be realized from any sale or redemption of Investments.

SECTION 8.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.* The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto or the security afforded thereby.

The Trustee may perform its powers and duties hereunder by or through such attorney and agents as it shall appoint, and shall be

answerable only for its own negligent acts, negligent failures to act and wilful misconduct and not for the default or misconduct of any attorney or agent appointed by it with reasonable care. The Trustee shall not be responsible in any way for, and makes no representation with respect to, the recitals herein contained or the execution or validity or enforceability of this Agreement or the Trust Certificates (except for its own execution thereof) or the guaranty by the Company, Equipment Co. or ETC.

The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates.

Any moneys at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 8.06. *Resignation and Removal; Appointment of Successor Trustee.*

(a) The Trustee may resign and be discharged of the trust created by this Agreement by giving 30 days' written notice to the Company and holders of Trust Certificates and such resignation shall take effect upon receipt by the Trustee of an instrument of acceptance executed by a successor trustee as herein provided in this Section.

(b) The Trustee may be removed at any time by an instrument in writing signed by the holders of a majority in aggregate unpaid principal amount of the Trust Certificates then outstanding, delivered to the Trustee and to the Company.

(c) If at any time the Trustee shall resign or be removed or otherwise become incapable of acting or, if at any time a vacancy shall occur in the office of the Trustee for any other cause, a successor trustee may be appointed by the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates by an instrument in writing delivered to the Company and the Trustee. Until a successor

trustee shall be appointed by the holders of Trust Certificates as herein authorized, the Company by an instrument in writing executed by order of its board of directors shall appoint a trustee to fill such vacancy. A successor trustee so appointed by the Company shall immediately and without further act be superseded by a successor trustee appointed by the holders of Trust Certificates in the manner provided above if such appointment is made within one year after completion of the notice, in the manner provided in the next succeeding paragraph, of the appointment of a successor trustee by the Company. Every successor trustee appointed pursuant to this Section shall be a national bank or a bank or trust company incorporated under the laws of the United States of America or the State of New York, the State of Illinois, the Commonwealth of Pennsylvania or the State of Oregon having its principal office in the City of New York, the City of Chicago the City of Philadelphia or the City of Portland and having a capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

(d) The Company shall give notice to the holders of all outstanding Trust Certificates of each resignation or removal of the then Trustee and of each appointment by the Company of a successor trustee pursuant to this Section by mailing written notice of such event by first-class mail, postage prepaid.
